Juan Facundo Albacete Colombo

Ph.D. in Astronomy · High-energy astrophysicist
CONICET researcher · Professor at the Universidad Nacional de Río Negro

UNRN Sede Atlántica · Don Bosco y Leloir s/n · 8500 Viedma, Río Negro, Argentina
donfaca@gmail.com · albacete.facundo@conicet.gov.ar · jfalbacetecolombo@unrn.edu.ar · donfaca.ar
Updated October 2026

POSITIONS

2017 – present	**Independent Researcher** CONICET · Universidad Nacional de Río Negro, Sede Atlántica, Viedma
2010 – 2017	**Adjunct Researcher** CONICET
2007 – 2010	**Assistant Researcher** CONICET
2005 – 2007	**Marie Curie postdoctoral researcher (European Union)** INAF – Osservatorio Astronomico di Palermo, Italy. Project ISHERPA.
2004 – 2005	**CONICET postdoctoral fellow** FCAG – UNLP

EDUCATION

2000 – 2004	**Ph.D. in Astronomy** FCAG, Universidad Nacional de La Plata. Thesis: Optical and X-ray study of O-type stars in the Carina region. Advisor: Dr. Nidia I. Morrell.
1999	**Licenciado in Astronomy** FCAG, Universidad Nacional de La Plata

FELLOWSHIPS AND RESEARCH STAYS

2017	**Research stay, Advanced High Energy Astrophysical Domain – ATHENA/ESA** INAF – Osservatorio Astronomico di Palermo, Italy (24 Oct – 8 Nov). Methods for diffuse X-ray emission analysis in the Cygnus OB2 Chandra large project.
2013	**CONICET external fellowship** INAF – Osservatorio Astronomico di Palermo, Italy (15 Apr – 15 Jul). Statistical study of uncertainties in simulated X-ray spectra.
2005 – 2007	**Marie Curie Transfer of Knowledge postdoctoral fellowship (EU)** INAF – Osservatorio Astronomico di Palermo, Italy. The Influence of Stellar High Energy Radiation on Planetary Atmospheres (ISHERPA).
2004 – 2005	**CONICET internal postdoctoral fellowship** FCAG – UNLP. X-rays from Galactic and extragalactic star-forming regions.
2000 – 2004	**Doctoral fellowship, CIC Buenos Aires** FCAG – UNLP. Optical and X-ray study of O stars in the Carina region.

RESEARCH PROJECTS AND COLLABORATIONS

2026	**PIDTT-AEC “Enfrentando los desafíos de la comprensión de las estrellas masivas”** Member of the working group · Universidad Nacional de Río Negro (LICA, Sede Andina). Director: Dr. Mariana D. Orellana; co-director: Dr. Anahí Granada.
2024 – 2029	**OCEANS – Overcoming Challenges in the Evolution and Nature of Massive Stars** Researcher · Funded by the European Union (Horizon Europe)
2021 – present	**EWOCS – Extended Westerlund One and Two Open Clusters Survey (Chandra and JWST)** Core member, diffuse X-ray emission analysis · INAF – Palermo, Italy
2015 – present	**ATHENA – Advanced Telescope for High Energy Astrophysics (ESA)** Coordinator of the star formation group of the international community
2008 – 2013	**Astrophysics group, Universidad Complutense de Madrid, Spain** Principal investigator
2008 – 2012	**Andalusian Astronomy project** With Universidad de Jaén, Spain
2005 – 2007	**ISHERPA – The Influence of Stellar High Energy Radiation on Planetary Atmospheres** European Community – INAF
1999 – present	**MEGA-X international campaign** Ground- and satellite-based monitoring of X-ray emitting stars

GRANTS

2021 – 2023	**PIP UNRN C 040-866** Universidad Nacional de Río Negro
2019 – 2020	**PIP UNRN C 040-691** Universidad Nacional de Río Negro
2016 – 2018	**PIP UNRN C 039-501** Universidad Nacional de Río Negro
2015	**PIP UNRN F002-005** Universidad Nacional de Río Negro
2012 – 2014	**PIP CONICET 20110100285** CONICET
2008	**PICT-2007-02177, Young Researchers grant** Secretariat of Science and Technology, Argentina
2004	**Research grant** Secretariat of Science and Technology, Argentina

SUPERVISION

2018 – 2024	**Ph.D. advisor, Agostina Filócomo** CONICET · FCAG – UNLP. Thesis defended.
2015 – 2022	**Ph.D. co-advisor, Paula Kornecki** CONICET · FCAG – UNLP
2014 – 2018	**Ph.D. co-advisor, Alejandra Suárez** CONICET · FCAG – UNLP
2011 – present	**Supervisor, Eng. Martín Araya** CONICET support staff, Universidad Nacional del Comahue

EVALUATION AND COMMITTEES

2025	**Member, CONICET postdoctoral fellowships committee** CONICET
2024	**Member, CONICET doctoral fellowships committee** CONICET
2023	**Ph.D. thesis examiner (alternate), F. Fogantini** Observatorio Astronómico de La Plata
2017	**Ph.D. thesis examiner, D. Sevilla** Facultad de Física, Universidad Nacional de Rosario
2014	**Licenciatura thesis examiner, S. del Palacio** Observatorio Astronómico de La Plata
2013 – 2014	**Consultant, CONICET researcher admission committee** CONICET
Ongoing	**Referee for MNRAS, ApJ and A&A** International journals
1996 – 2003	**Member of faculty hiring committees** FCAG – Universidad Nacional de La Plata

ORGANIZATION OF SCIENTIFIC EVENTS

2019	**Organizer, 61st Annual Meeting of the Argentine Astronomical Society (AAA)** Viedma, Río Negro
2017	**Chair of the Local Organizing Committee, XIV COSPAR International X-ray Workshop** Viedma, Río Negro (24 Feb – 4 Mar)
2012 – 2014	**Co-lecturer, seminar on observational X-ray astronomy** Observatorio Astronómico de La Plata

INTERNATIONAL INVITATIONS

2019	**Research stay with Dr. J. J. Drake** Center for Astrophysics | Harvard & Smithsonian, Cambridge, USA (23 Jun – 3 Jul)
2015	**Research stay with Dr. J. J. Drake** Center for Astrophysics | Harvard & Smithsonian, Cambridge, USA (26 – 30 Jun)
2015	**Invited reviewer, Chandra proposal evaluation** Chandra X-ray Center (CXC), NASA, Boston, USA (22 – 26 Jun)
2008	**Invited professor, Master in Astrophysics (ASTROCAM project)** Universidad Complutense de Madrid, Spain (23 – 28 May)

INVITED LECTURES AND COURSES

2008	**Lectures for the Master in Astrophysics (ASTROCAM)** Universidad Complutense de Madrid, Spain
2007	**“Sobre el origen de los rayos cósmicos más energéticos del universo”** Microcine del CURZA, Viedma (October)
2001	**Instructor, guides course of the Earth and Space Science Centre** Trelew Planetarium, Chubut (July)

TEACHING

2015 – present	**Head of Practical Sessions (JTP), Mathematics and Statistics** Universidad Nacional de Río Negro
2010 – 2011	**Adjunct Professor, Mathematics I–II** Universidad Nacional de Río Negro
2002 – 2005	**Teaching Assistant (by competition), Calculus I** Faculty of Exact Sciences, UNLP
2000 – 2002	**Teaching Assistant (by competition), Calculus I–II** Faculty of Engineering, UNLP
2000	**Teaching Assistant (by competition), Introductory courses** Faculties of Computer Science and Exact Sciences, UNLP
1999 – 2000	**Teaching Assistant (by competition), Physics I** Faculty of Engineering, UNLP
1998 – 1999	**Student Assistant (by competition), Statistics** Faculty of Engineering, UNLP
1995	**Student Assistant (ad honorem), Physics II** Faculty of Exact Sciences, UNLP

CONFERENCES, WORKSHOPS AND SCHOOLS ATTENDED

2014	**ESA Official Conference: The X-ray Universe 2014** Dublin, Ireland
2014	**57th AAA Annual Meeting** Córdoba, Argentina
2013	**56th AAA Annual Meeting** Tandil, Argentina
2012	**55th AAA Annual Meeting** Mar del Plata, Argentina
2011	**ESA Official Conference: The X-ray Universe 2011** Berlin, Germany
2010	**38th COSPAR Scientific Assembly** Bremen, Germany
2009	**1st School on Multiwavelength Astronomy** Paris, France
2008	**ESA Official Conference: The X-ray Universe 2008** Granada, Spain
2007	**50th AAA Annual Meeting** Malargüe, Mendoza, Argentina
2007	**75th Anniversary of ICSU: Scientific Challenges of the XXI Century** Lindau, Germany
2006	**14th Cool Stars Meeting** Pasadena, California, USA
2006	**IAU XXVI General Assembly** Prague, Czech Republic
2006	**Mass loss from stars and the evolution of stellar clusters** Lunteren, The Netherlands
2005	**ESA Official Conference: The X-ray Universe 2005** San Lorenzo de El Escorial, Spain

2005 **JENAM: Distant Worlds**
Liège, Belgium

2005 **IAU Symposium 227: Massive Star Birth**
Acireale, Italy

2003 **1st Workshop on Relativistic Astrophysics**
IAR, Villa Elisa, Argentina

2003 **46th AAA Annual Meeting**
La Plata, Argentina

2002 **International School for Young Astronomers (ISYA), IAU-UNESCO**
CASLEO, San Juan, Argentina

2001 **Regional Workshop: Processing and Analysis of XMM-Newton and Chandra Data**
INPE, São José dos Campos, Brazil

2000 **44th AAA Annual Meeting**
Tafí del Valle, Tucumán, Argentina

1999 **43rd AAA Annual Meeting**
Rosario, Argentina

1999 **Astronomy and the Gemini Project**
La Plata, Argentina

1998 **42nd AAA Annual Meeting**
La Plata, Argentina

1997 **41st AAA Annual Meeting**
San Juan, Argentina

1996 **40th AAA Annual Meeting**
La Plata, Argentina

1995 **Colliding Winds in Binary Stars**
FCAG – UNLP, La Plata, Argentina

1993 **The Eta Carinae Region: A Laboratory of Stellar Evolution**
FCAG – UNLP, La Plata, Argentina

BOOK

2022 **El presagio de los Neutrinos**
Science-fiction novel. Editorial Autores de Argentina, 101 pp. ISBN 978-987-87-2864-3.
